COSTUME CRAZE

Carrie has decided to create her own costume for Halloween. Her mom gave her \$23 to spend on supplies. Help her choose her costume based on the prices below:

Fabric: \$6.00 a yard
Hat: \$3.50
Makeup: \$2.00
Wings: \$7.00
Broomstick: \$5.00
Random Accessories: \$4.00

1. If Carrie dresses up like a witch, she will need two yards of material, makeup, a hat and a broomstick. Does she have enough money for all of this? How do you know?

- a. Yes
- b. No

2. To dress as a butterfly, Carrie needs $1\frac{1}{2}$ yards of material, a hat and wings. How much money will Carrie have left?

- a. \$3.00
- b. \$4.50
- c. \$3.50
- d. \$4.00

3. If Carrie decides to skip the material and just buy a hat and makeup, and then have fun with accessories, how many accessories can she buy?

- a. 4
- b. 3
- c. 2
- d. 5

4. **THINKING CAP:** If a costume store is selling witch costumes that aren't as nice as the one Carrie would make, but costs \$15, do you think she should buy one or make her own? Explain your answer. _____
